FLASHPACK-ETTE

Guaranteed Delivery at the Speed of Flight

"THIS LITTLE AIRLINE MEANS BUSINESS"

And our business depends on speed! So does yours! In this day and age, speed makes all the difference. Air Midwest's fleet of 300 m.p.h. turboprop metroliners gives your business the competitive edge. We are expanding **FLASHPACK**, our small parcel freight service, to include **FLASHPACK-ETTE**. We want to help you take advantage of our speed. **WE MEAN BUSINESS!**

In 1979, Air Midwest introduced **FLASHPACK** to our customers. We offer counter to counter delivery at the "speed of flight" anywhere on the Air Midwest route system. (Up to 50 lbs and no more than 90 inches total dimensions.) Your package is guaranteed to go on the next flight out for only \$30.00. In most cases, same day service is available. **FLASHPACK** is success-

ful because your business demands the service, and we know that your business demands even more! That's why Air Midwest developed **FLASHPACK-ETTE!**

As the name implies, **FLASHPACK-ETTE** is a little **FLASHPACK**. It is only small in size and price. **FLASHPACK-ETTE** is very big on service. It is designed for shipments of documents or similar matter up to 2 ounces. (Approximately 10 typewritten pages.) You get the same counter to counter service anywhere on the Air Midwest route system. And there's more good news! **FLASHPACK-ETTE IS GUARANTEED TO GO ON THE NEXT FLIGHT OUT FOR ONLY \$9.50!** Your important documents will be at their destination in a matter of hours. Lots of destinations are less than an hour's flying

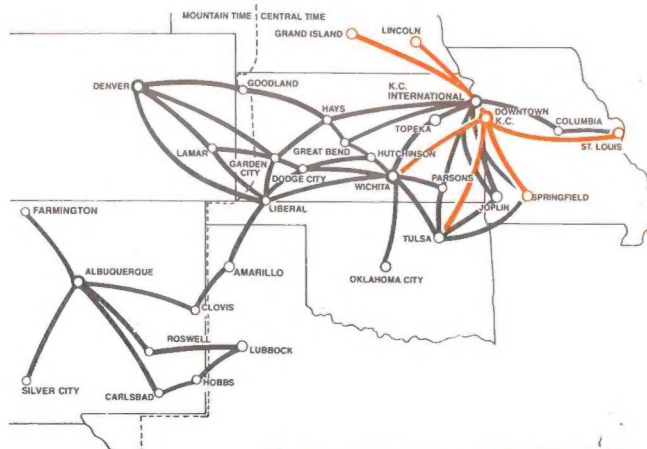

time away. Now you have two choices. Important documents for \$9.50 or larger (but still important) items for \$30.00. Either way they are **GUARANTEED TO LEAVE ON THE NEXT FLIGHT! WE MEAN BUSINESS!**

For your convenience, **FLASHPACK-ETTE** envelopes may be pre-purchased at any Air Midwest ticket counter, including our new City Ticket Office in Kansas City located at 109 W. 12th. Simply fill out the information on the **FLASHPACK-ETTE** envelope, and when you are ready to ship your important papers, simply leave it with an Air Midwest representative at our ticket counter. We do the rest. In the Kansas City downtown area we will even pick your shipment up free of charge.

For small package delivery information at the "speed of flight," call an Air Midwest representative at the following numbers.

One more thing. Do we really mean business? We're willing to bet our **FLASHPACK-ETTE** that we do! We said your shipment was guaranteed, and it is! If we fail to live up to our word, we'll let you ship your next **FLASHPACKETTE** free! That's right, your next shipment is on us! **THIS LITTLE AIRLINE MEANS BUSINESS!**
